# BANK RAKYAT SCHOOL OF **BUSINESS AND ENTREPRENEURSHIP** (BRSBE)

BRSBE was formed with the view that entrepreneurial activity is one of the pillars of a strong and vibrant economy. This unique founding school is dedicated to provide quality education in entrepreneurial leadership in Malaysia. Although big business is extremely vital for economic health and prosperity, strong cadre of SMIs and SMEs is also essential to ensure a diverse economy and to provide the required support to large enterprises and the community. BRSBE recognises the fact that most of wealth accumulation is by starting one's own business, and that great products and services begin with a single idea. Many aspiring entrepreneurs lack the knowledge and skills to convert their ideas into working solutions and practical businesses. UNIRAZAK's collaborations with its various partners grant its graduates exemptions for various professional certifications. Students are exposed to a variety of learning approaches provided by a team of well qualified and experienced academics and professionals in various areas of entrepreneurship, business and management-related fields. BRSBE is best known for being the first of its kind to be accredited by CPA Australia for Bachelor of Accounting (Honours), along with other business programmes such as Bachelor of Business Management (Entrepreneurship)(Honours), Bachelor of Management (Honours), Bachelor in Commerce (Honours), Bachelor of Business Administration (Islamic Financial Planning) (Honours), Bachelor of Business Administration (Islamic Banking & Finance)(Honours) and Bachelor in Taxation (Honours).

# BACHELOR OF **BUSINESS ADMINISTRATION** (HONOURS)

The Bachelor of Business Administration (Honours) students will learn to help create a better world through the power of business administration. The aim of the programme is to develop business professionals who are equipped to solve problems in corporate administration. Students will gain the upper hand on various business disciplines due to extensive exposure on business-focused as well as social service projects.

Upon completion of the programme, graduates are expected to have high level of generic attributes and skills, consistent with the expectations of the professional and public community. They will be ready for career as administrative officer, bank officer, public administrator, entrepreneur and many more.
