POSTGRADUATE Diploma in Education

R-DL/0110/7/0026 (07/32) / MQA/FA 13385

With this qualification, you might teach in a school, college or university, in an institute of technology, or polytechnic, tutor in a private training establishment or facilitate Continuing Professional Development (CPD) programmes in a professional setting, workplace, industry or community environment.

Stay current with the latest educational advances, enjoy the flexible study mode and earn your Postgraduate Diploma in Education qualification with us. Extend your professional knowledge, explore new developments and enhance your contribution to the field of education. With UNIRAZAK's Postgraduate Diploma in Education, you will be distinguished by your ability to apply theory and research critically and to understand the complex dimensions of current educational issues, practices and/or policies in particular contexts. You will reflect on research and demonstrate skills in analysis, synthesis and critical evaluation of teaching and learning.

Learning is no longer confined to a particular place or traditional pathways. Thus, this edu-tech-based program uses industry-relevant educational content, inquiry-based pedagogy and a digital-based education model, which results in best practices in student learning outcomes and provides wholesome teaching experiences. We employ a range of distance and blended learning delivery options that provide flexible learning opportunities for all students, regardless of their location. You will be taught by highly qualified, experienced, and supportive teachers who will offer high pastoral care.

STUDY MODE: Open Distance Learning (ODL)

UNIRAZAK provides a flexible learning mode for its programme, which allows you to learn from any location and at your convenience. It is to access better learning and better student experience.
